

Behind every lifelong music lover is a moment that sparked it all. At the public institution Centre de Musiques Amplifiées - Rockhal, we work to create those moments on stage and beyond. Rocklab, our creative hub and resource centre, supports artists and audiences at every step of their journey across four pillars: Discover, Create, Grow and Play – and we're looking for someone exceptional to lead the first one :

Project Manager Young Audience

PERMANENT, FULL-TIME CONTRACT

Reporting to the Head of Rocklab, you will design and lead Rocklab's entire young audience offering: cultural, educational and artistic initiatives that spark musical curiosity and creativity in children and teenagers.

Key responsibilities

Program development & strategic planning

- Develop, implement and supervise Rocklab's young audience strategy aligned with Rocklab's mission.
- Conceive new program concepts and innovative learning formats across music genres and age groups.
- Evaluate activities and ensure the continuous improvement and expansion of the program
- Oversee the communication strategy of the Discover pillar in collaboration with the Marketing team to ensure coherent narrative and key messages.

Project management & activities

- Manage projects end-to-end: planning, logistics, technical and artistic production, budgets, administrative follow-up, lessons learned, reporting, etc.
- Coordinate all internal and external stakeholders (artists, educators, partners, schools, etc.).
- Organise and supervise workshops, educational concerts, guided tours, talent programs, etc. in line with the Discover strategy.
- Welcome, supervise and accompany audiences, ensuring a high-quality participant experience.
- Propose, design and review educational materials.

Partnerships & collaboration

- Build and maintain strong relationships with schools, cultural organisations, youth institutions, educators, artists and other collaborators.
- Recruit, brief and oversee coaches, artists, workshop leaders and contributors.
- Represent Rocklab in youth programming events.
- Support the Create, Grow, and Play pillars when needed, including Rocklab Members management.

Profile

- At least five years of professional experience in project management, preferably in culture, education, youth programming, music or event production.
- Ability to design, structure, deliver and reassess high-quality, educational, artistic and participatory projects.
- Excellent organisational skills and ability to manage multiple projects simultaneously and autonomously.

- Great interpersonal skills and the ability to engage with young people.
- Strong communication skills in Luxembourg's official languages and English.
- Proficiency in digital tools (MacOS, Microsoft Office 365).
- Creative mindset, team spirit, reliability and flexibility.
- Strong interest in music, artistic education, creativity and youth development with a good understanding of the music ecosystem in Luxembourg.
- Willingness to work flexible hours, including evenings and weekends, according to event schedules.

Ready to make music matter for the next generation? We'd love to hear from you!
